

25 November 2019

For immediate release

Planet Ark Power trading company renamed eleXsys Energy Pty Ltd

We are pleased to advise that the Elevare Energy Group of companies has renamed the companies in the Group in accordance with the table below, including the company previously known as *GoZero Energy Pty Ltd trading as Planet Ark Power*, to *eleXsys Energy Pty Ltd trading as Planet Ark Power* (ACN 160 084 195).

Sister research and development company *Elevare Energy Pty Ltd* is now *eleXsys R&D Pty Ltd* (ACN 160 918 463, ABN 96 160 918 463).

The names of the companies in the eleXsys Group have been changed in accordance with the following table:

New Name	Old Name	ACN
eleXsys Holdings Ltd	Elevare Energy Holdings Pty Ltd	160 907 746
eleXsys R&D Pty Ltd	Elevare Energy R&D Pty Ltd	160 918 463
eleXsys IP Pty Ltd	Elevare Energy IP Pty Ltd	160 918 598
eleXsys Energy Pty Ltd (Planet Ark Power)	GoZero Energy Pty Ltd (Planet Ark Power)	160 084 195
eleXsys Asset Management Pty Ltd	GoZero Asset Management Pty Ltd	606 456 455

The name changes reflect the strategic vision of the eleXsys Group and its global expansion plans.

The changes are effective immediately and was undertaken in parallel with Planet Ark Power's Series A investment offering which was launched in September, 2019.

There will be no change to the shareholding or directorships or legal entities of those companies forming the eleXsys Group. The name change will not invalidate any ongoing customer agreements.

Planet Ark Power

Planet Ark Power™ is a leading Australian-owned technology and artificial intelligence company designing and delivering innovative clean energy solutions which radically improve returns on investment (ROI) for rooftop solar and battery in commercial and institutional sectors, helping organisations transition into a sustainable future.

Planet Ark™, one of Australia's leading environmental organisations, partnered with eleXsys Energy Pty Ltd to become Planet Ark Power™ in 2017.

Planet Ark

Planet Ark Environmental Foundation is an Australian not-for-profit organisation with a vision of a world where people live in balance with nature. Established in 1992, they are one of Australia's leading environmental behavior change organisations with a focus on working collaboratively and positively. Planet Ark help people, governments and businesses reduce their impact on the environment in three key areas: promoting sustainable resource use for a circular economy; supporting low carbon lifestyles; and connecting people with nature.
